TENDER SPECIFICATIONS:

Sealed tenders are invited containing two types of bid i.e. Technical bid and Financial bid.

The technical bid should consist of all technical details including the manufacture of the PM 2.5 particulate samplers, model specifications (along with dimensions and weight), filter requirements, Accessory requirements, Accessories provided, calibration, and the country of origin along with terms and conditions (along with warranty and maintenance) and delivery schedule separately for the portable samplers and the samplers with a mass flow controller. It should be in a sealed envelope with a clear marking as “TECHNICAL BID”.

The financial bid must contain item-wise prices separately for all items mentioned in the technical quotation, terms and conditions, mode of payment, and delivery schedule. The financial bid may also include custom duty and clearance charges if applicable. It should be in a sealed envelope with clear marking on the left-hand side as “FINANCIAL BID”.

Both of these sealed “TECHNICAL BID” and “FINANCIAL BID” must be put in a bigger envelope, which should also be sealed and superscribed. Separate envelopes must be used for

each item mentioning its name. Non-compliance of the above may result in rejection of the tender. The word “**Tender for PM 2.5 particulate samplers for ambient monitoring**” should be written prominently on the top of the envelope. Kindly mention the samplers and/or accessories **delivery time** after the reception of purchase order. Payments will be done as per the rules of the institute.

Vendors should submit all the required documents on their letter head. No separate Performa will be provided to them.
