THE CAMBRIDGE DIABETES SEMINAR INDIA (CDS)

11-17 October, 2026 I Kochi, Kerala

The Cambridge Diabetes Seminar provides a forum for training and networking of health-related professionals to build capacity to tackle the enormous public health challenge posed by diabetes mellitus and its complications.

Initiated in 1981 in Cambridge, U.K., this week-long Seminar will be held in India for the first time in October 2026.

WHO SHOULD APPLY

Clinicians, epidemiologists, and public health professionals with an interest in the epidemiological and public health aspects of diabetes are **encouraged to apply.**

Participants will be selected based on their potential to contribute to diabetes prevention and management related research and public health efforts.
